

Prayer Requests

**Breanne
Dobrzanski**

Prayer for upcoming surgery & family.

Cynthia Austin

Please pray for my niece, Cara, and her fiancé, Dwayne, who is facing serious health issues and is on a heart monitor. He's unable to work, and they're both under great stress.

Pray also for me and my son, Michael Jr., as we navigate divorce, and for Michael Sr. to find repentance. Thank you.

Damon Shirey

One of my employees, a man named Tramaine, is recently in need of a new place to rent. He is a good man, a good father and a great worker who has unfortunately found himself on the bad end of a breakup with his childrens mother. He's normally a very upbeat and positive man, but this has understandably hit him hard this holiday season. Please pray for Tramaine, and if anyone has any leads on places / rooms for rent please feel free to call me or shoot me an email.

Eve Leiva

I want to ask that the Lord move and protect Ecuador from evil leadership taking over the country in February during and following the election. I also ask that the Lord would convict and call my unsaved family members to himself.
