In response to the devastating **impact of Hurricane Helene**, we are stepping in to help those affected in Eastern TN. We are asking for donations of essential items to aid recovery efforts, which are expected to continue for many months.

Some of you may remember former members, Harry, JoEllen and Stephen Busch. They have asked for our help.

JoEllen is working at distribution sites, and Harry and Stephen have been going to heavily damaged areas like Del Rio. Please keep them in your prayers. Please donate through our church website or consider purchasing these items to donate:

Needed:

- **Laundry Detergent**
- **Bleach**
- **Dog and Cat Food**
- **Hygiene Items (Soap, Hand Sanitizer, Feminine Pads, etc.)**
