

Severn Christian Church Prayer List

Prayer Requests

- Breanne Dobrzanski** I will be having surgery on my foot on 1/10/25. It will leave me 100% non weight bearing for 4 weeks, and for the first 1-2 weeks I will not be able to use crutches or a scooter, so my mobility will be extremely limited. It will be an out patient surgery, but will still interact my home/family life greatly, as I will be unable to do much to support with my kids daily needs. My major concern is the impact that it will have on my kids as my youngest (3yrs old) won't really understand why I won't be able to do his bath, bedtime, play on the floor, drive him, etc.
- Carolyn Jenkins** My family and I are going through a rough patch emotionally and financially. We recently lost some resources that we no longer qualify for. We would like prayer for the Lord's guidance and provision. We also need prayer for boldness/confidence.
- Ellen Blizard** Sister-in-law, Debby Kilby, fell and is on hospital. Also has cellulitis, infection, of leg.
- Genny Karaszkiwicz** **Gary Geldmacher, Jr.** My brother recently had a heart surgery, has been in dialysis for several years and is in stage five renal failure having issues with memory and confusion. Prayers for peace and comfort.
- Gary Geldmacher, Sr.** - Kevin (Geldmacher) and my dad, also in dialysis and having multiple medical issues, praying for comfort and strength during this time.
- Jamie Butt** Family issues.
- Jim Thomas** Prayers for healing – Medical Concerns.
- Karen Utz** Prayers for recovery from Neck surgery and short term disability approval.

Saundra Jackson

Please pray for my son and daughter to resolve their differences so we can all come together as a Christian family. Thank you so much.

Shannon Walter

13 year old girl had a seizure at school on Thursday. She had a brain bleed and is in a pentobarb coma at Johns Hopkins. They had to remove part of her skull and are waiting for swelling to go down. Her little sister is in my son's class and her mom works at St. Paul's which has become a second family to us. Everyone is heartbroken and we are just asking for all the prayer warriors that this little girl Gabby will be okay.
